

Notes on 4 Achilles Ct

Hardwood floors on entire 1st level ,stairs, upstairs hallway, upstairs baths, and ½ bath with exception of kitchen and breakfast room which is porcelain tile (stronger than ceramic)

- Hardwood floors and stairs done about 3 yrs ago
- Upstairs hallway and ½ bath done in 2008

All hardwood trim has been re-stained (baseboards, window sills etc,)

Central island is not stationary

Nook in foyer is lighted with mirror back and glass shelves

There is a small sitting area upstairs overlooking foyer

Master bedroom is vaulted and beamed with a walk in closet.

Master Bath pushed out 2 ft to accommodate corner Jacuzzi tub. There is ceramic tile flooring, dual vanity with recessed lighting above, separate shower, and ceiling fan.

Upstairs hall bath has ceramic tile flooring.

Bedroom 2 has chair rail, ceiling fan, and floor to ceiling mirrored closet doors

Bedroom 3 has ceiling fan (said it did not stay but would replace with another fan)

Atrium back door

4 ft extension on garage
